

D-Connectors, Dual Port

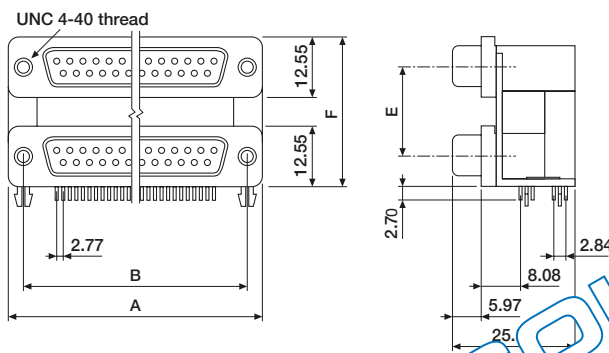

Tin Plated Shells

These dual port connectors are available in many male/female combinations and with several spacings between the two connectors. Contacts are stamped.

Material : Glass-filled PBTP, UL 94V-0
Contacts : Copper Alloy (male)
Phosphor Bronze (female)
Plating : Selective Gold over Nickel
Electrical : See Chapter 15

■ PCB solder model, right-angle, dual port

ORDERING INFORMATION

DKD-XXFM-9X59 female/male*
DKD-XXFF-9X59 female/female*
DKD-XXMM-9X59 male/male*
DKD-XXMF-9X59 male/female*

0 for E = 15.88, F = 28.43
1 for E = 19.05, F = 31.60
2 for E = 22.86, F = 35.41

available circuit sizes:
09, 15, 25, 37

DIMENSIONS

Circuit size	A	B	Circuit size	A	B
09	30.81	24.99	25	53.04	47.04
15	39.81	33.32	37	69.32	63.50

*The first mentioned model in the order number is the connector in the upper position. Combinations of different circuit sizes are also possible. Contact sales office for details.
