

# D-Connectors, Filtered

## Tin Plated Shells

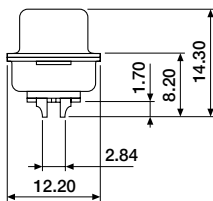

D-Connectors with machine tooled or stamped contacts and capacitor filtering (standard 1000 pF). Quality level 3 is standard. These filter connectors are available with solder cup, dip solder and wire wrap terminals. All models have tin plated shells.

Material : Glass-filled PBT, UL 94V-0  
Contacts : Copper Alloy  
Plating : Gold over Nickel  
Electrical : See Chapter 15

Other capacities on request.

### ■ Solder cup model

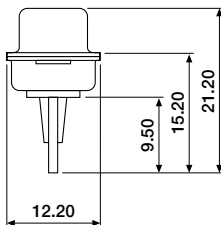

09 to 37 circuits  
Male models are 0.40mm higher.

#### ORDERING INFORMATION

DFM-XXHS-0022 male, stamped contacts  
DFF-XXHS-0022 female, stamped contacts  
available circuit sizes:  
09, 15, 25, 37

### ■ Cable solder model

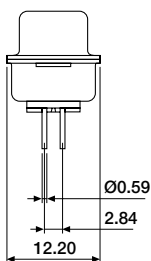

09 to 37 circuits  
Male models are 0.40mm higher.

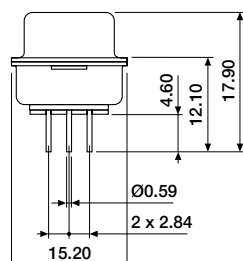

#### ORDERING INFORMATION

DFM-XXDS-0022 male, machine tooled contacts  
DFF-XXDS-0022 female, machine tooled contacts  
available circuit sizes:  
09, 15, 25, 37

### ■ PCB solder model, straight

09 to 37 circuits

50 circuits

#### ORDERING INFORMATION

DFM-XXDS-0022 male, machine tooled contacts  
DFF-XXDS-0022 female, machine tooled contacts  
available circuit sizes:  
09, 15, 25, 37, 50

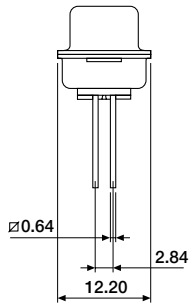

Also available with distance rivets, board locks and board/thread locks.

## Tin Plated Shells

### ■ Wire wrap model

09 to 37 circuits  
Male models are 0.40mm higher.

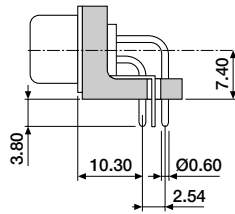

50 circuits

#### ORDERING INFORMATION

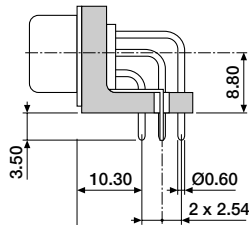

**DFM-XXWW-0022** male, machine tooled contacts  
**DFF-XXWW-0022** female, machine tooled contacts

available circuit sizes:  
09, 15, 25, 37, 50

### ■ Right angle model, 10.30mm footprint

09 to 37 circuits  
Required hole size for locking clip or mounting hole is Ø3.10mm.

50 circuits

#### ORDERING INFORMATION

**DFM-XXDS-XX22** male, machine tooled contacts  
**DFF-XXDS-XX22** female, machine tooled contacts

35 = M3 with earth strip  
36 = M3 with earth strip and locking clip  
38 = UNC 4-40 with earth strip  
39 = UNC 4-40 with earth strip and locking clip

available circuit sizes:  
09, 15, 25, 37, 50
