

Plastic Circular Connectors, IP 66/68

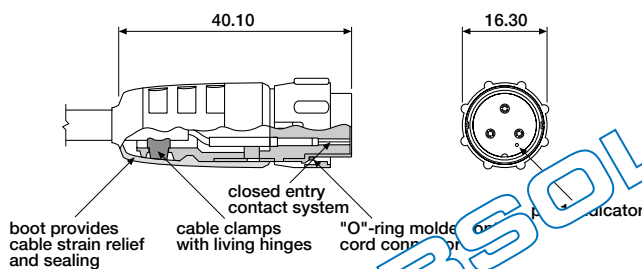

02 to 08 Circuits

Superior leakage protection. Contact area is double sealed for excellent moisture and chemical resistance. Gaskets are moulded onto connector and panel housings to prevent leakage and eliminate the need for additional gaskets. Moulded on gaskets reduce part count and assembly labor cost.

Material : Thermoplastic Polymer Glass-Fiber and Thermoplastic Rubber
Contacts : Copper Base Alloy
Plating : Gold over Nickel
Electrical : See Chapter 15

Lockable cable connector with female contacts

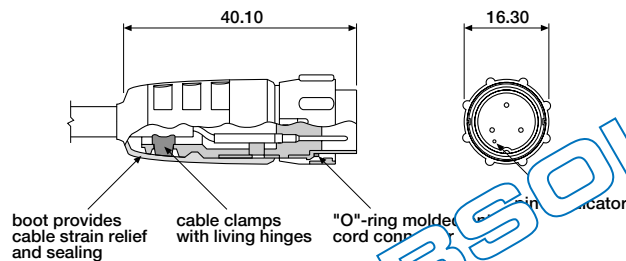

ORDERING INFORMATION

CPM-XXHS-0000 with solder bucket contacts (AWG 20 max.)
available circuit sizes:
02, 03, 04, 05, 06, 07, 08

02 and 03 circuit models are also available with contacts suitable for AWG 16. Change last four digits of order number to 1000.

Lockable cable connector with male contacts

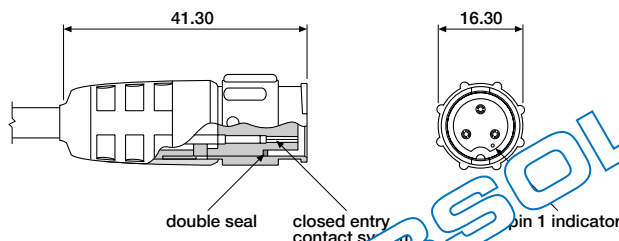

ORDERING INFORMATION

CPM-XXHS-0000 with solder bucket contacts (AWG 20 max.)
available circuit sizes:
02, 03, 04, 05, 06

02 and 03 circuit models are also available with contacts suitable for AWG 16. Change last four digits of order number to 1000.

In-line cable connector with female contacts

ORDERING INFORMATION

CPF-XXHS-2000 with solder bucket contacts (AWG 20 max.)
available circuit sizes:
02, 03, 04, 05, 06

02 and 03 circuit models are also available with contacts suitable for AWG 16. Change last four digits of order number to 3000.

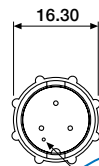

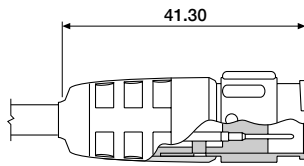

Plastic Circular Connectors, IP 66/68

02 to 08 Circuits

Line connector with male contacts

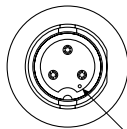

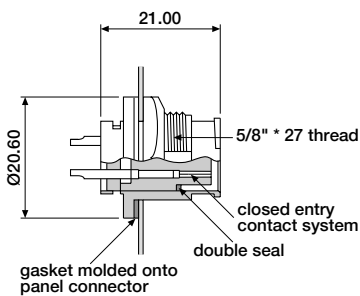

Indicator

ORDERING INFORMATION

CPM-XXHS-2000 with solder bucket contacts (AWG 20 max.)
available circuit sizes:
02, 03, 04, 05, 06, 07, 08

02 and 03 circuit models are also available with contacts suitable for AWG 16. Change last four digits of order number to 3000.

Panel mount connector with female contacts

Indicator

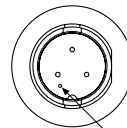

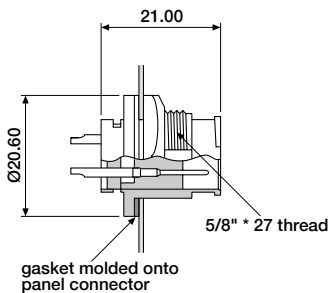

ORDERING INFORMATION

CPM-XXHP-0000 with solder bucket contacts (AWG 20 max.)
CPM-XXDP-0000 with PCB type contacts
available circuit sizes:
02, 03, 04, 05, 06

CPA-00DC-0000 dust cover

02 and 03 circuit models are also available with contacts suitable for AWG 16. Change last four digits of order number to 1000.

Panel mount connector with male contacts

Indicator

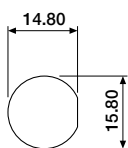

ORDERING INFORMATION

CPM-XXHP-0000 with solder bucket contacts (AWG 20 max.)
CPM-XXDP-0000 with PCB type contacts
available circuit sizes:
02, 03, 04, 05, 06, 07, 08

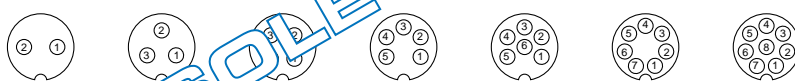

CPA-00DC-0000 dust cover

02 and 03 circuit models are also available with contacts suitable for AWG 16. Change last four digits of order number to 1000.
