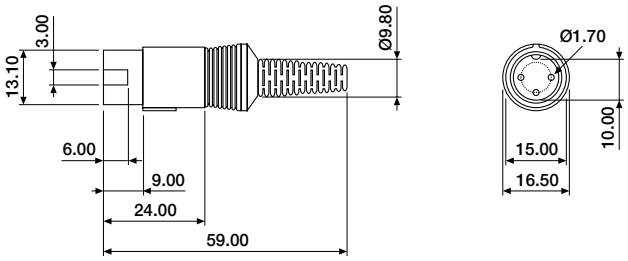
# DIN Connectors

A full range of low cost commercial and professional DIN connectors as used for industrial and various computer interface applications. All cable connectors can be supplied as assembled interface cable. As of 500 pcs, the cable connectors can also be supplied in moulded-on quality.

## ■ DIN, male



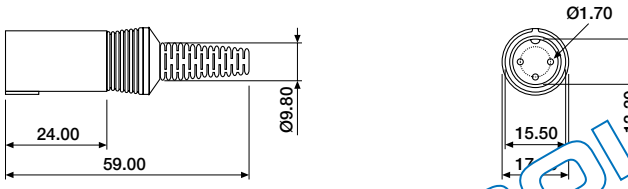
**ORDERING INFORMATION**

**DCM-XXHS-0000** A configuration*
**DCM-XXHS-0100** B configuration*

available circuit sizes:
A configuration: 03, 04, 05, 06, 07, 08
B configuration: 05, 08

*See end of this section

## ■ DIN, female



**ORDERING INFORMATION**

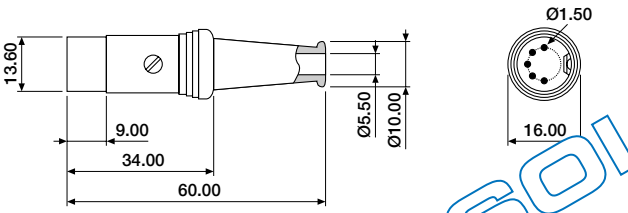
**DCF-XXHS-0000** A configuration*
**DCF-XXHS-0100** B configuration*

available circuit sizes:
A configuration: 03, 04, 05, 06, 07, 08
B configuration: 05, 08

*See end of this section

OBSOLETE

## ■ DIN, male, metal shell



**ORDERING INFORMATION**

**DCM-XXHS-0050** A configuration*
**DCM-XXHS-0150** B configuration*

available circuit sizes:
A configuration: 03, 04, 05, 06, 07, 08
B configuration: 05

*See end of this section

OBSOLETE

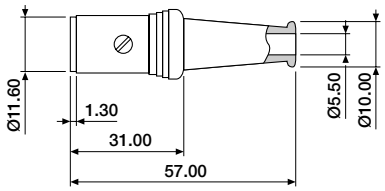
# DIN Connectors

## ■ DIN, female, metal shell



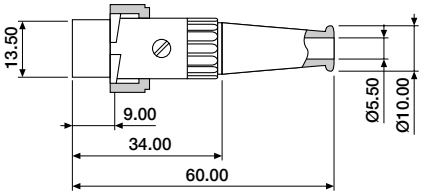
**ORDERING INFORMATION**

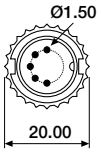
**DCF-XXHS-0050** A configuration*
**DCF-XXHS-0150** B configuration*

available circuit sizes:
A configuration: 03, 04, 05, 06, 07, 08
B configuration: 05

*See end of this section

## ■ DIN, male, metal shell, bayonet lock





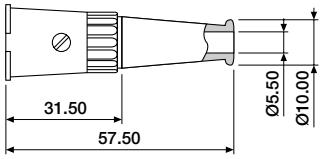
**ORDERING INFORMATION**

**DCM-XXHS-2050** A configuration*
**DCM-XXHS-2150** B configuration*

available circuit sizes:
A configuration: 03, 04, 05, 06, 07, 08
B configuration: 05

*See end of this section

## ■ DIN, female, metal shell, bayonet lock



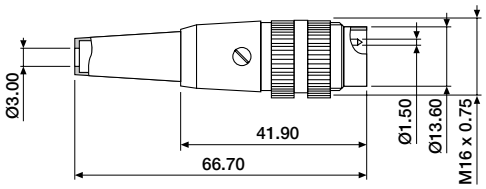
**ORDERING INFORMATION**

**DCF-XXHS-2050** A configuration*
**DCF-XXHS-2150** B configuration*

available circuit sizes:
A configuration: 03, 04, 05, 06, 07, 08
B configuration: 05

*See end of this section

## ■ DIN, male, metal shell, screw lock



**ORDERING INFORMATION**

**DPM-XXHS-0050** A configuration*
**DPM-XXHS-0150** B configuration*

available circuit sizes:
A configuration: 03, 04, 05, 06, 07, 08
B configuration: 05, 07, 08

Contact sales office for availability of right angle models.
*See end of this section.

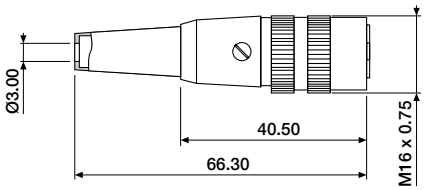
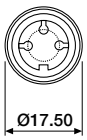
# DIN Connectors

## ■ DIN, female, metal shell, screw lock





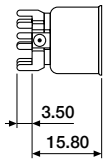
**ORDERING INFORMATION**

**DPF-XXHS-0050** A configuration*

available circuit sizes:
A configuration: 03, 04, 05, 06, 07, 08

Contact sales office for availability of right angle models.
*See end of this section

## ■ DIN, female, PCB-mount



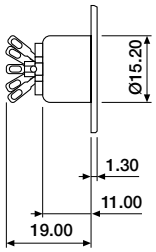
**ORDERING INFORMATION**

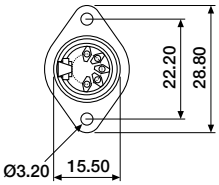
**DCF-XXDS-0050** A configuration*

available circuit sizes:
A configuration: 03, 05, 06, 07, 08

*See end of this section

## ■ DIN, female, panel-mount





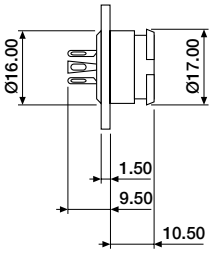
**ORDERING INFORMATION**

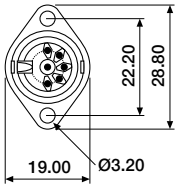
**DCF-XXHP-0050** A configuration*
**DCF-XXHP-0150** B configuration*

available circuit sizes:
A configuration: 03, 04, 05, 06, 07, 08
B configuration: 05, 08

*See end of this section

## ■ DIN, female, panel-mount, bayonet lock





**ORDERING INFORMATION**

**DCF-XXHP-2050** A configuration*
**DCF-XXHP-2150** B configuration*

available circuit sizes:
A configuration: 03, 04, 05, 07, 08
B configuration: 05

*See end of this section

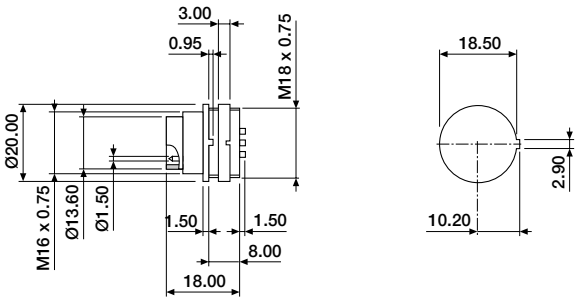
# DIN Connectors

## ■ DIN, male, panel-mount, screw lock (front mounting)



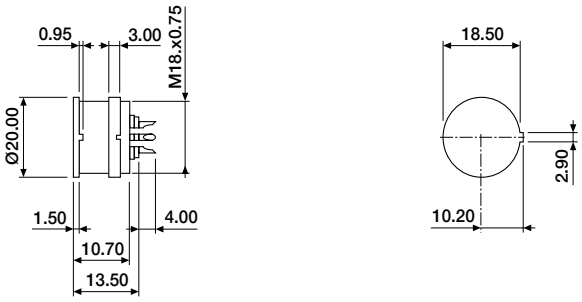
**ORDERING INFORMATION**

**DPM-XXHP-0050** A configuration*
**DPM-XXHP-0150** B configuration*

available circuit sizes:
A configuration: 03, 04, 05, 06, 07, 08
B configuration: 05, 07, 08

Contact sales office for availability of models for back panel and PCB mounting.
*See end of this section

## ■ DIN, female, panel-mount, screw lock (front mounting)



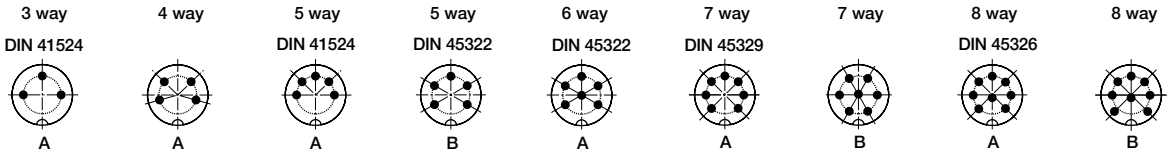
**ORDERING INFORMATION**

**DPF-XXHP-0050** A configuration*
**DPF-XXHP-0150** B configuration*

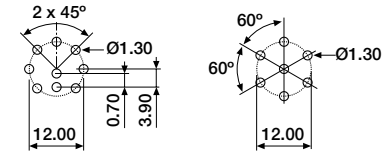
available circuit sizes:
A configuration: 03, 04, 05, 06, 07, 08
B configuration: 05, 07, 08

Contact sales office for availability of models for back panel and PCB mounting.
*See end of this section

## ■ DIN pin configurations



## ■ PCB layout, PCB model, straight



A configuration
3, 5, 7, 8 way

A configuration
6 way
