

# Nylon Spacers

## Self-Locking

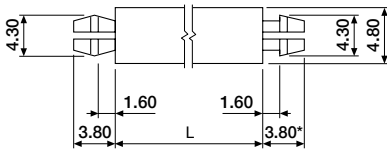

A range of self-locking nylon pacers to reduce production time. All spacers are suitable for 1.59mm PCB's.

Material : 6/6 Nylon, UL 94V-0

Tolerances : If tolerances are important, ask for individual sales drawings.

### Self-lock spacer, low profile

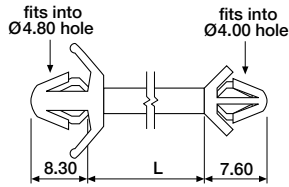

\*5.60 for L = 1270  
To snap fit in a Ø4.00 hole

ORDERING INFORMATION

SPN-1000-XXXX

available lengths (L) in 00.00mm:  
0320, 0640, 0800, 0950, 1050, 1270

### Self-lock spacer, rigid

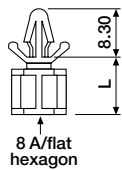

ORDERING INFORMATION

SPN-1100-XXXX

available lengths (L) in 00.00mm:  
0480, 0640, 0960, 1270, 1590, 1910,  
2220, 2540, 2850, 3500

### Self-lock spacer for self-tapping screw

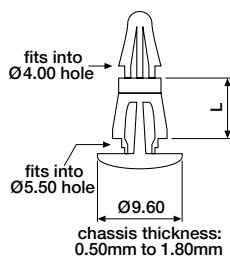

Hole size: Ø3.00

ORDERING INFORMATION

SPN-1200-XXXX

available lengths (L) in 00.00mm:  
0500, 0960, 1270, 1910, 2850, 3500

### Reverse locking spacer

ORDERING INFORMATION

SPN-1300-XXXX

available lengths (L) in 00.00mm:  
0640, 0800, 0960, 1200, 1400, 1800
