

Insulated Ferrules

A full range of insulated ferrules to be crimped at the end of the stripped wires to secure a high quality connection if wires have to be screw mounted. Smooth insulated insertion funnel simplifies wire fitting and holds the ferrule on the conductor insulation until tightly crimped. DIN colour code available on request. A complete range of crimp tools is available.

Material : Polypropylene insertion funnels, heat resistant to 120
 Contact : Electrolytic Copper Tin Plated

■ One wire model
